MACOMB COUNTY RECEIVES AWARD FOR FINANCIAL REPORTING

MOUNT CLEMENS, Mich. – The Government Finance Officers Association of the United States and Canada presented a Certificate of Achievement in Financial Reporting to Macomb County for its comprehensive 2003 fiscal report.

The association said an impartial panel judged Macomb County's comprehensive annual financial report to meet the high standards of the program, "including demonstrating a constructive spirit of full disclosure to clearly communicate its financial story and motivate potential users and user groups to read the report."

The GFOA – with offices in Chicago and Washington, D.C. – is a nonprofit professional association serving about 15,000 government finance professionals.

About Macomb County

Macomb County is an enriching community in Southeastern Michigan that has one of the state's fastest rates of growth. Its 825,000 residents make it Michigan's third-largest county, with direct access to Lake St. Clair and Anchor Bay, and a host of cultural and entertainment options. Its highly skilled workforce and investment in new and expanding businesses make it open to enterprise. Active civic leadership translates into balanced budgets and Michigan's second-lowest tax rate. An increasingly diverse population and high quality of life make Macomb County accessible to all.
